

Optional Section Titles

The following section titles are completely optional based on your own experiences. Create sections that best fit your experience and career interests! Remember... a resume should be about one page, so try not to include too many sections.

Related/Relevant Experience

“Industry” Experience

I.e. Teaching Experience, Marketing Experience, Healthcare Experience, Counseling Experience, etc.

Target towards your career interest.

Internship Experience

Clinical Experience

Volunteer Experience

Leadership Experience

Undergraduate Research/Research Experience

Significant/Related Coursework

Class Project

Work History

Previous Employment

Work Experience

Other Experience (if you included a Related Experience section)

Activities

o ~~On~~ Internholegeited-50 Athletic
