Academic Programs and Planning
Committee

To whom it may concern:

As Dean of General Studies and Graduate Education I would like to write in support of the proposal for a new minor in Community Leadership and Social Change (CLSC). The program coordinator, Dr. Christina Jackson, and the proposal committee members have put together a strong proposal for an interdisciplinary minor that students will find a reason and the Classic Control of the proposal for an interdisciplinary minor that students will find a reason and the Classic Control of the proposal for an interdisciplinary minor that students will find a reason and the control of the proposal for an interdisciplinary minor that students will find a reason and the control of the proposal for an interdisciplinary minor that students will find a reason and the proposal for an interdisciplinary minor that students will find a reason and the proposal for an interdisciplinary minor that students will find a reason and the proposal for an interdisciplinary minor that students will find a reason and the proposal for an interdisciplinary minor that students will find a reason and the proposal for an interdisciplinary minor that students will find a reason and the proposal for an interdisciplinary minor that students will find a reason and the proposal for an interdisciplinary minor that students will find a reason and the proposal for the proposal
