A. Honors at Graduation

As part of a comprehensive educational program to promote and recognize outstanding academic achievement, Stockton University will grant qualified baccalaureate degree recipients with Latin honors, and both undergraduate and graduate qualified degree recipients with Program Distinction.

B. Latin Honors

The undergraduate student who meets the following eligibility requirements upon completion of all degree requirements will be awarded the degree *cum laude*, *magna cum laude* or *summa cum laude*. At least 64 credits must have been completed satisfactorily at Stockton prior to graduation for an honors designation. All courses attempted at Stockton will be included in the following calculations, except courses with P/NC or W (or equivalent) grades.

Students with a cumulative GPA of 3.950-4.000 will be designated *summa cum laude*; students with a cumulative GPA of 3.850-3.949 will be designated *magna cum laude*; students with a cumulative GPA of 3.750-3.849 will be designated *cum laude*. The calculation of GPA will be truncated to three decimal places. GPA calculations are not rounded up. Although students graduate under the academic requirements at their time of admission to the University, students graduate under the graduation policies that are in effect at the time of their graduation.
