To Whom It May Concern:

Please accept this letter in support of the Migration Studies minor proposal. As coordinator of the ~~Women's Gender and Sexuality Studies minor~~ over the summer, I have been able to review the proposal and courses for the minor, and I do not feel that there is much overlap in courses offered. There is little risk that any students who would normally choose a WGSS minor would not due to the Migration Studies minor. I am excited about the possibility of more ~~work together to promote minors in general and increase enrollment across the board.~~

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sara M. Martino', written over a horizontal line.
