Board of Directors Stockton Affiliated Services, Inc.

We have audited the accompanying financial statements of Stockton Affiliated Services, Inc., a component unit of Stockton University, which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

Incuropinion, the financial statements referred to above present fairly, in all material respects, the financial position of Stockton Affiliated Services, Inc. as of June 30, 2021 and 2020, and the results of its operations and its cash flows for the years then embed in accordance with accounting principles generally accepted in the United States of America.

#### NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

June 30, 2021 and 2020

SASI follows the Financial Accounting Standards Board ("FASB") guidance that requires a tax position to be recognized or derecognized based on a "more likely than not" threshold to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position. SASI does not believe its financial statements include any material uncertain tax positions for which recognition or disclosure is warranted. No interest or penalties were recognized in 2021 or 2020.

SASI is exempt from federal income taxation but it may be subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code.

#### Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and mature in three months or less.

#### Property and Equipment, Net

Property and equipment are carried at historical cost if purchased or constructed, less accumulated depreciation. SASI provides for depreciation of its property and equipment by the use of the straight-line

#### Risk and Uncertainties

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, which continues to spread throughout the United States. As a result of COVID-19, the University moved to a virtual teaching and learning environment commencing mid-March 2020 and during the year ended June 30, 2021, the COVID-19 pandemic continued to negatively impact SASI's financial position. Student credits for ancillary services provided by SASI in the amount of \$819,562 and \$1,785,382, respectively, are included as a reduction in food service and transportation & safety revenues in the statement of activities for the year ended June 30, 2021 and 2020. While the disruption is currently expected to be temporary, there is uncertainty around the duration.
