

FRATERNITY & SORORITY LIFE AWARDS 2015-2016

The Fraternity and Sorority Awards are designed to provide an objective assessment of a chapter's performance. The evaluation process for these awards is completed through active reporting and nominations that are submitted online. This process is implemented not as a competition, but as a way for every chapter to measure their growth as an organization on an annual basis. The opportunity for recognition is provided to chapters that excel in the areas of academics, service, and Greek unity.

Distinguished Chapters

Distinguished Chapter honors are given only to chapters who earn high marks in all five areas of focus on the Stockton accreditation program, the Growth & Recognition Plan: academic achievement, leadership development, chapter operations, programming, and risk reduction.
