policies and

actions continuing and ntensifying further analreadyviolent history. As Holocaust and Genocide Studies scholars, we oppose all targeting of civiliand secognize based on many cases past and presethe acute danger of sproportionates tate violence in the name of counterterrorism, where state authorities come to identify a group as a whole as an entities particularly important view of the shooting attack he following day, 27 January here a Palestinian from East Jerusalem killed ewsleaving a synagogue the Neve Yaakov settlement and injured others. We condemn this violence as well, awe call on the Israeli government not to escalate the situation further stop immediately the days.

The red lights are flashing for all of us to see a Approgram devoted to the dyuof mass atrocities, rooted in our commitment todolocaust scholarship and remembrantoe the struggle against state violence; the voices of victims and survivors eannot stay sile to be silentegarding the ongoing Israeli assault against Palestinians and Palestinian society and cultur
