The Port Authority Union may endorse him, but he won by 80K votes last time, swing all the unions and their families and its a huge loss for him. Last time the unions endorsed Corzine; and Christie won. I think this is going to be a real close election. I do predict Christie to lose!

COMPANY BASED IN FLORIDA? In other words he is implying that the companies and contractors in NJ are dumb and stupid.

oops! forgot! he can no longer collect percentages from contractors doing business in NJ as he was doing before with that certified tax cheating Mrs. Whitman.....the collection firm 'reformnj' is closed

that's the great thing about being a human. in the face of impossible odds we can still have hope, and hope is all Barbara can lean on in this election. sadly for her it will end in a crushing loss as it should. the question is how wide will the % win be for christie?

Why not give the dark horse a chance? Christie has accomplished very little and blames everyone else for his failures. Won't be voting for him again.
