

[Sign In](#) | [Sign Up](#) As them, they also feel there  
They have specific ideas about what students  
-principally, to partner with business to create  
such as internships,"saidDarryl Greer, a senior  
Strategic Information and Governance at Ric  
in an emailed press release June 10.  
He said the public continues to be extremely co  
but they recognize there's a shared responsibili  
experience.

*"One of the top responses was citizens s  
we make," Greer said.*

The poll also asked people why they attended th  
\*The number one reason was location, followed  
college locally and regionally. This helps us un
