majority support

...the bully pulpit effectively and has enjoyed consistent majority support
...since even as the economy faltered unemployment rose school ro . E o x

Thus far his rationale has held up well and with the successful development of vaccines steady reductions in new infections hospitalizations and fatalities the lon
so

V
handing it was supposed to be an internal document, but
executive office is problematic.

At this point — early thought it may be — making that case will be difficult indeed.
