## Improving New Jersey

...in  
...percent of all  
...ties in New Jersey.  
...injuries in New Jersey

New Jersey  
...these kinds  
...of drivers account for 22 percent of all motor vehicle-related fatalities in New Jersey.  
...Doesn't that sound like a lot?

## Shared Responsibility

- ◆ **Motorists** must wear seat belts and use proper driving techniques.
- ◆ **Drivers** must be licensed and insured.
- ◆ **Drivers** must watch for pedestrians when turning right on a red.
- ◆ **Drivers** must obey speed limits.
- ◆ **Drivers** must not drink and drive.

## Motorists Who are Responsible at the Scene
