The following is a <u>suggested</u> plan of study for completion of this degree program.

- The goal of a Degree Map is to ensure that students graduate with no more than 128 credits and in four years.
 - All students should speak with their preceptor about their academic programs.
 - Students are encouraged to take overload and Summer courses to facilitate their progress towards graduation as necessary.
 - Transfer students may not need to take all courses in the plan; they should consult with an academic advisor.
