Degree Map: [Geology \(BA\)](#)
Geology Program
School of Natural Science & Mathematics Stockton University
USC 1 - 240 609-652-4546

The following is a suggested plan of study for completion of this degree program.

The goal of a Degree Map is to ensure that students graduate with no more than 81 credits and in four years.

- x All students should speak with their preceptor about their academic programs.
- x Students are encouraged to take overload and Summer courses to facilitate their progress towards graduation as necessary.
- x Transfer students may not need to take all courses in the plan; they should consult with an academic advisor.
