Learning Access Program Peer Note Taker Request

First Name	L	ast Name	
7#	Today's Date		CellPhone

Courses may be taught in multiple teaching modalities. These will include on classes on campus, hybrid classes that combine inperson and online lessons, and completely online classes note that you must include the modality type and the day(s) that your course will be meeting either face to face or synchronously on Zoom to ensure that the selected note taker is attending on the same day(s)

EligibleCourse Modality Types:

Faceto-Face (F2F)All content delivered in persoon campus.

Online Synchronous (ONS)All content is delivered online on specific days and times.

Online Blended (ONB)Combination of online synchronous and online asynchronous course delivery.

Hybrid Full (HYF)Combination of some full class, **-oa**mpus sessions and online content delivered asynchronously or synchronously (this is closest to a traditional hybrid course).

Hybrid Partial (HYP)Combination of physically distanta, prefaon class sessions and asynchronous online (Cs id7f9 Td iF)
